- Indian Tribal governments

ELIGIBLE WORK

- The activities performed must be the legal responsibility of the applying entity, required as a result of the declared fire, and performed within the designated fire area by resources requested by the Incident Commander, or comparable State official.

ELIGIBLE COSTS *(Note: FMAG costs will be reimbursed based on a 75% federal cost share and 25% local cost share)*

- *Equipment Costs* – Reimbursement for costs of applicant-owned equipment based on applicable rates and for the costs of rented or contracted fire fighting equipment.
- *Supplies* – Expended or lost, to the extent not covered by insurance.
- *Labor Costs* – Overtime for permanent or reassigned employees, and regular time and overtime for temporary and contract employees.
- *Travel and Per Diem* – For employees performing eligible work, including provisions of field camps and meals when provided in place of per diem.
- *Essential Assistance* – Activities to protect life and property directly related to the mitigation, management, and control of the declared fire. These may include, but are not limited to, police barricading and traffic control, extraordinary emergency operations center expenses, evacuation and sheltering, search and rescue, arson investigation, public information, and removal of trees that pose a threat to the general public.
- *Temporary Repair of Damage Caused by Firefighting Activities* – Short-term actions to repair damage directly caused by eligible firefighting activities. The repairs must be completed within 30 days of the close of the incident period for the declared fire to be eligible for reimbursement.
- *Direct Administrative Costs* – Regular and overtime pay, and travel expenses of permanent, reassigned, temporary and contract employees who assist in the administration of the fire management assistance subgrant.
- *Mobilization and Demobilization* – Costs for mobilization to and demobilization from a declared fire may be claimed outside the incident period.
